

PAUL PARISH LIMITED
CRANE CONSULTANTS

GENERAL TERMS AND CONDITIONS FOR SERVICE

**GENERAL TERMS AND CONDITIONS FOR SERVICE ARE BINDING BY ALLOWING INSPECTION
OF SAID EQUIPMENT AND OR ACCEPTANCE OF CERTIFICATE**

The working capacity of equipment certified or documented is restricted to the certification or documentation of the capability demonstrated and attested to by the specific test and inspections of such equipment accomplished in accordance with corresponding standards and requirements for such test and inspection as established by applicable prevailing regulations.

Paul Parish Limited or its agents assumes no responsibility for any damages caused by equipment testing arranged by or with permission of the owner/lessee/user of the equipment, nor does Paul Parish Limited or its agents assume responsibility for testing devices and/or weights provided by or with the permission of the owner/lessee/user of such equipment.

All equipment should be rigged and employed in an approved manner consistent with corresponding manufacturer's specifications. Paul Parish Limited or its agents assumes no responsibility of maintenance or proper use or possible misuse of such equipment. The equipment is certified by Paul Parish Limited or its agents as being in apparent satisfactory condition only to the extent determined by test witnessed and physical examination reasonably completed and is held harmless thereafter.

Paul Parish Limited or its agents does not include certification or any other approval relating to the stability of, means of attachment to, or structural integrity of working surfaces, platforms, piers, barges, ground, etc. on which inspected equipment may be located.

The Owner/lessee/user of said equipment to be tested and/or inspected by Paul Parish Limited or his agents hereby agree to indemnify and hold harmless Paul Parish Limited or its agents, from any and all claims or damages; specifically including but not limited thereto, any damage sustained to any equipment that is being inspected and/or tested, any parts attached or connected in any form or fashion to said equipment, any personal injuries or deaths resulting from the use of said equipment inspected and/or tested, and any damage to any other property, real or personal, arising from the use of said equipment inspected and/or tested, regardless of ownership of said real or personal property, as well as any economic damages of any kind, specifically including, but not limited to loss of income or loss of profits. Further, the owner/lessee/user of said equipment to be tested and /or inspected, also hereby agree to defend Paul Parish Limited or its agents against any and all claims for damages made by any party against Paul Parish Limited or its agents arising out of the use of said equipment that was inspected and/or tested.

Under all circumstances, Paul Parish Limited, maximum liability for the inspection is limited to the fee paid by the owner/lessee/user.
